School Council Policy

Fees are effective from 1 January of each year. The School Council reserves the right to vary this schedule, upon notice to the fee payer. If an account is outstanding, a late payment charge of \$50 will be applied for the first instance 14 days after the due date, and every 30 days thereafter. Where a student is being withdrawn from the School, as per the School's Enrolment Agreement (to avoid a term's fee in lieu of notice being applicable), parents must provide notice in writing by no later than the first day of the school term prior to the term from which the parent is requesting withdrawal take effect. For example, if a student is being withdrawn in Term 3, notice is required by no later than the first day of Term 2.
